

NEW HOPE PREGNANCY CARE

HOLD ON TO HOPE

MARCH 2013

VISION AND STANDING IN THE GAP

"Where there is no vision the people perish."
Proverbs 29:18a (KJV)

What is next for New Hope Pregnancy Care now that we have our a medical clinic offering limited OB/GYN ultrasounds? We do not want to grow content. We want to expand our services to offer prenatal care and STD testing. The more services we offer the more opportunities we have to save and change lives through the Gospel of Jesus Christ.

Why is New Hope Pregnancy Care important to God? What is the line God has drawn in the sand and when crossed God says "I've

had enough" and brings judgment? The shedding of innocent blood. When you support New Hope Pregnancy Care you are standing in the gap between the sins of our land and God.

"I looked for someone who might rebuild the wall of righteousness that guards the land. I searched for someone to stand in the gap in the wall so I wouldn't have to destroy the land, but I found no one. So now I will pour out My fury on them, consuming them with the fire of My anger. I will heap on their heads the full penalty for all their sins. I, the Sovereign Lord, have spoken!" Ezekiel 22:30-31 (NLT)

In Honor of Mother's Day, New Hope Pregnancy Care is having a baby bottle campaign in honor or memory of mothers. Would you or your church like to fill baby bottles in honor or memory of your mothers? We want to pass them out in mid-April and have people turn them in on or by Mother's Day. In our June newsletter we will have a special section to recognize those mothers being honored or remembered. Contact us for more information.

Thank you to the GA's at Union Grove Baptist Church for raising \$283.50 for New Hope at your bake sale at church on February 13, 2013. We feel blessed for young people to help our ministry. Last week, the group came to New Hope to see what we do and how their bake sale helped our ministry. Have you considered having your youth group or Sunday School Class have a bake sale at your church for New Hope Pregnancy Care? Or have you considered bringing your group here to see what we do? We are available to give tours evenings and weekends.

“The issue life is not a political issue, nor is it a policy issue, it is a definitional issue.”

-Sen. Marco Rubio(R-FL) in his address February 1, 2012 at the Susan B. Anthony List's Campaign for Life Gala in Washington, D.C. Rubio emphasized the foundational importance of life as the right that “trumps virtually any other right” because without it there can be no other rights.
