

NEW HOPE PREGNANCY CARE

HOLD ON TO HOPE

APRIL 2013

THE POWER OF THE ULTRASOUND

Thank you to each and everyone of you that contributed through prayers and financially toward our conversion to a medical clinic offering limited OB/GYN ultrasound. Together we are making a difference in the lives of those facing an unintended pregnancy.

Over the last couple of weeks, we have had two sixteen years olds come to New Hope for a pregnancy test. Both were scared and unsure of what to do. Both were indeed pregnant. Both were given an ultrasound.

During the ultrasound of one something did not seem right to our nurse. As it turns out the young lady suffered a miscarriage a few days later. This client was strongly considering abortion before her ultrasound but she never really had to make that decision. If she had gone

someplace else, she might have had an abortion that was not needed and she would have carried that guilt with her the rest of her life. How many women have abortions and they would have miscarried naturally if only they could have had an ultrasound to see if their pregnancy is viable?

The other young lady was able to see her baby on the ultrasound screen and afterwards is determined to give her baby life. She may put her baby up for adoption instead if raising the baby herself but abortion is not an option now.

Regardless of the circumstance, ultrasound is making a difference in the lives of the women who come here. Help us get the word out about New Hope so we can save more lives both physically and spiritually.

Thank you to Shady Grove Baptist for showing the movie OCTOBERBABY and taking up a love offering for New Hope Pregnancy Care. Nearly \$900 was raised for New Hope!!! If you have not seen the movie it is a powerful reminder of why our ministry is important and on the healing power of forgiveness. Please consider showing OCTOBERBABY at your church and taking up a love offering for New Hope.

In Honor of Mother's Day, New Hope Pregnancy Care is having a baby bottle campaign in honor or memory of mothers. We still have some bottles left if you would like to participate. Or you can just make a donation without the baby bottle. In our next newsletter we will have a special section to recognize those mothers being honored or remembered. Your donations need to be received by May 23 to make the special edition of our newsletter. Contact us for more information.

Mission Statement*

New Hope Pregnancy Care is an organization of Christian people dedicated to sharing the gospel of Jesus Christ to women experiencing stressful pregnancies, especially those considering abortion. It is our desire to help meet the physical, spiritual, and emotional needs through one-on-one relationships with trained counselors as well as classes offered through New Hope Pregnancy Care. It is our desire to serve as a leader in the community by providing facts and information concerning abortion, alternatives to abortion, fetal development, the sanctity of human life, abstinence and other related services.
