

NEW HOPE PREGNANCY CARE

HOLD ON TO HOPE

OCTOBER 2013

NEW IDEAS

If you are reading this, you are part of the family at New Hope Pregnancy Care. And at New Hope, we love to hear from family. Today, we are beginning to shift our focus toward 2014; setting goals and considering new initiatives, such as expanding our services to offer STD testing and prenatal care. As a result, we need the thoughts and ideas that only family can provide.

So let me ask you, "What would you like to see New Hope Pregnancy Care accomplish in 2014?" What are your ideas, your dreams for the future and your vision for the impact we can have on our community? The truth is, perhaps it is you who has an idea that could strengthen this center in ways we cannot imagine. Who knows?

Over the next several weeks, through November 15, we want to hear from you. You may email us at info@newhopepregnancy.com or newhope@yadtel.net and send your thoughts along. We now have a text line 336-258-0253 and you can text us your ideas. Or call Jennifer at 336-679-7101 and voice your suggestions.

Brainstorming together can be fun. We can't use every idea; we all know that. But we never know when a thought might catch hold and open the door to others that can create an even brighter future for New Hope Pregnancy Care. The truth is, we want to be everything that God has called us to be. And while our board, volunteers, and staff work together to seek His calling for this center, we also believe that He may use any of us in the family to bring new and powerful thinking to the table.

So feel free to give the future of New Hope Pregnancy Care your thoughts. We would love to hear from you. Perhaps the idea in the back of your mind is ready for implementation—and our clients (and their children) will be smiling as a result. Help us be the first choice in our community for those facing an unintended pregnancy.

What would God do in our community through New Hope Pregnancy Care if money were no object?

SAVE THE DATE, our 5TH Annual CHICKEN STEW/BLUGRASS CONCERT/AUCTION will be on Saturday November 9 at The Shop at Lincrest Farms. Kids Fun with Inflatables starts at 5PM. *New Hope Pregnancy Care
Mission Statement*

New Hope Pregnancy Care is an organization of Christian people dedicated to sharing the gospel of Jesus Christ to women experiencing stressful pregnancies, especially those considering abortion. It is our desire to help meet the physical, spiritual, and emotional needs through one-on-one relationships with trained counselors as well as classes offered through New Hope Pregnancy Care. It is our desire to serve as a leader in the community by providing facts and information concerning abortion, alternatives to abortion, fetal development, the sanctity of human life, abstinence and other related services.

Thank you for your support
of our ministry!

God is working through New Hope Pregnancy Care. We have performed as many pregnancy tests so far in 2013 as we did in all of 2012. God sent us the young lady afraid to tell her parents she was pregnant, but when she saw her baby on the ultrasound screen for the first time tears were streaming down her face and she knew she had to choose life. God sent us another young lady who is determined to have an abortion even after seeing her baby move around on the ultrasound screen. We gave her a picture of her baby to take with her and are praying that she will change her mind and choose life. Henry Blackaby says "see where God is working and join him there". God is at work here, won't you join us through prayers, donating your time, or by making a material or monetary donation.
