

NEW HOPE PREGNANCY CARE

HOLD ON TO HOPE

NOVEMBER 2013

REVIVAL

What does revival look like? Our churches have "Revival Services" but what does real revival mean. First, to be revived you must be dead. You must realize that your life is hopeless in its present state. You must have all of your walls down in all areas of your life in complete surrender. It is only at that point that you are ready for real, life changing revival. Then in complete surrender and trust you offer yourself as a living sacrifice to God. In that place, God will revive you and give you the life he wants for you. He takes down the walls of the enemy and rebuilds it with his wall of protection. Only then will we experience all that God has for us. He turns your mud pies into holidays at sea. You are no longer satisfied with status quo and playing church. You crave all that God has. You worship him in all that you do. You are amazed at his goodness that you missed before you surrendered to him.

There is something different going on at New Hope Pregnancy Care. God is reviving our staff and our board of directors individually which revives New Hope corporately. We are not doing things the same way. We have gone from conventional to Holy Spirit presence leadership. Not that we were doing things wrong but we used to make our plans then pray to God for his stamp of approval. Now we are individually going to God in prayer and worship then responding to his leading to advance His Work.

God is working at New Hope Pregnancy Care, join us in HIS MINISTRY!

"Delight yourself in the Lord and he will give you the desires of your heart. Commit your way to the Lord; trust in him and he will do this." Psalm 37:4
