

## NEW HOPE PREGNANCY CARE

# HOLD ON TO HOPE

JANUARY 2014

### ANOTHER TESTIMONY

One Friday afternoon, a young man called New Hope wanting a pregnancy test for his girlfriend that evening. I called Shonda and she was available to come and we set up the time for 6:30 PM before our prayer time at 7:00 PM. When I called the young man back I asked him if he needed directions and he said no that he would Google our number and that would give him directions. At 6:30, the young man called and wanted to know if he was at the right place - he was at Salem Pregnancy Center. We shared with him that we would wait for them to get here but they did not have time to drive to Yadkinville, have the appointment and get back to Winston -Salem, where they were from.

We asked them when they could come and we set up an appointment for Saturday at 2 PM. We knew that God was at work. I Googled our phone number and I got our address not Salem's. We felt like this couple was very young and scared. They were living in bondage in fear of an unplanned pregnancy. We felt like it was God's purpose for them not to find us on Friday night. God gave us the opportunity to come together in prayer on Friday night at 7 PM on behalf of this couple and our other prayer needs. God knew we needed to be in prayer before they came to our doors.

On Saturday at 2 PM the phone rang. It was the young man and he said they were still coming but they were going to be late. I said no problem that

we would wait for them. We had more time to pray together on behalf of this couple. At 2:45PM they finally arrived.

They were young just as we expected. She was 18 and he was 16. She was nervous and jumpy and he just kind of seemed unsure. Shonda performed the pregnancy test and it was negative. She shared with them how they could be free from the bondage they were facing because they believed the lies of the devil that sex is fun and there are not consequences to sex outside of marriage. She shared with them God's plan for sex within marriage. They both said they were saved but their sin had gotten in the way of their relationship with God. The young lady repented first and called out to God to forgive her and to restore her. Then the young man followed. They did not want to feel the fear they have been feeling. They want to regain their purity and save sex for marriage from here forward.

Shonda gave them a Bible and shared with them this would be hard but they could do it with God's help. As they walked out of New Hope they were smiling and had a glow about them. They were not the same couple that entered the door an hour before. Please continue to pray for this couple. The devil will be going after them to go back to their old ways. Pray for them to be strong and stay committed to remaining pure. God is so good and he got back two of his children from Satan's shackles.

**2014: The Wall, an “uncomplicated” vision**

Our 2014 Vision is like the AT&T Commercial: “It’s not complicated.” In fact, some may call it simplistic and others may say our vision is naïve, which is fine with us. We’re sticking to it anyway. Our 2014 Vision is this: *We are taking the next step toward making abortion unthinkable and in time, obsolete in North Carolina.* That’s it.

To take this next step, we are building a “Wall of Hope” in our community. We believe we can build this wall through your prayers and support. We want to be the first and best choice in our community for women’s health by adding more services such as STI testing and prenatal care. We are praying about God’s direction in building on to our current center or moving to a larger location.

We are not here to slow the decline of our culture. Nor are we here to only hang on while the enemy of life takes more territory. No, our mission is to change the culture and to advance. And advance we will. We plan to see more lives saved in 2014. A lot more. And we plan to promote and share the incredible love of God and the love of Jesus Christ by word—and by our actions. We are not backing up in 2014. Not at all. We plan to move forward. We will, make no mistake about it. We will advance by the power instilled in us by the love of God. His love changes everything, and so will we.

Soon—sooner than even we might believe—we plan on becoming the absolute, unparalleled and undisputed *first* choice for every woman and man seeking answers to an unplanned pregnancy. *First.* When these hurting young people go online, our mission is that they find us. *First.* And when they make a phone call for help, our mission is that call is to our center. *First.* We will not—by any stretch—be satisfied until this happens.

In 2014, we plan on taking the next steps to build “The Wall of Hope”. If you haven’t already, join us in this powerful mission. Will you be a brick in “The Wall”? Help us build “The Wall”. Will you make plans to attend our banquet on March 8, 2014 at Yadkinville Methodist Church at 6 PM? Our guest speaker is Kirk Walden, author of “The Wall”. Would you consider being a table host? Being a table host is easy and free. Just let us know that you want to reserve your own table and invite like-minded pro-life friends to join you at our banquet. If you decide to reserve your own table let us know by February 1. Contact New Hope at 336-679-7101 or [newhope@yadtel.net](mailto:newhope@yadtel.net) if you want to know more about where we are headed. Let’s get started. In 2014, we advance. And we will be taking new ground as we do so. BELIEVE.

Forget all the reasons why it won’t work and **BELIEVE** the **ONE** reason it will...
