A Note of Thanks...

Thank you to the brotherhood of Arlington First Baptist Church for fixing our step on our sidewalk. We appreciate you seeing the hazard and fixing it. Thanks so much!

If your church is looking for a mission project, we need a car port built for our new Save the Storks bus. It would be great for more than one church to take this on and work together to get it done. Let us know if you would like to help.

... Ye see the distress that we are in, how Jerusalem lieth waste, and the gates thereof are burned with fire: come, and let us build up the wall of Jerusalem, that we be no more a reproach.
