

Volunteer Opportunities

(You must be a pro-life Christian & agree to our core values. Most positions require background checks)

- **Prayer teams.** We are looking for individuals for our main center prayer team and for our mobile unit prayer team. You can pray at home or come to our prayer room at our center to pray. No set schedule but have the flexibility to pray during the day.
 - Main Center Prayer Team – you will be texted or called to pray when we have abortion minded clients coming in and during the time they are at the center. We will also be contacting you to pray for different needs as they arise. Please pray daily for our main center ministry.
 - Mobile Unit Prayer Team- you will be texted or called to pray when we are parked at the abortion clinic, are parked in at risk communities, and also when we have abortion minded clients scheduled for the unit. Please pray daily for our mobile ministry.
- **Mobile unit volunteers.** We need 4 volunteers for each time we take the mobile unit out to the abortion clinic or to at risk communities. This would be on Tuesday, Friday, or Saturday mornings, 8:30am to 12pm.
 - Patient advocate- this is for a female who is willing to be a support person to the patient. You will chaperone the ultrasound and provide a listening ear to the patient and help her with her intake form paperwork. Training is required for this position.
 - Driver/Security- this is for a male who is friendly and outgoing. You will help with setting up and stocking the unit. You will stay outside of the vehicle while patients are being seen and an ambassador for the mobile unit while it is parked. In between patients you can visit businesses in the area and build community goodwill towards our mobile unit. Training will be required for this position.
 - Sign holders- hold signs and direct potential patients to our mobile unit. Training is required for the position.
- **Male patient /father of the baby advocates.**
 - Male patient advocate. We need men to be at the center when we are meeting with male STD clients. This is more for the safety and security of our nurses and staff than actually interacting with the patient. Generally, STD clients are scheduled on Wednesdays or in the late afternoon on Tuesdays or Thursdays. Training will be required for this position.
 - Father of the baby advocate. Ideally anytime a patient comes to the center and the father of the baby is with her we would like to have a man here to meet with the him while we are meeting with her. We would also like a man who would go through the fatherhood program with individual dads or as a group class of dads. Individual classes would meet during the day and a group class would meet at night on a Tuesday or Thursday night. Training is required for this position.
- **Female patient advocate.** We need ladies to assist our patients with their intake paperwork, chaperoning ultrasounds, and doing individual or group JEWYL (just earn while you learn) classes with our patients. You can do what fits your schedule. We need help during the day for most of these areas except for the group class and that would meet on a Tuesday or Thursday night. Training is required for this position.

- **Nurses.** We need nurses to do pregnancy and STD testing. You must be an RN with up to date credentials. We can use you as your schedule allows. Training will be required for this position.
- **Childcare.** When we do evening group classes we need help with childcare. This would be on a Tuesday or Thursday evening. Some training is required for this position.
- **Abstinence Educators.** We need men and women to help us teach the sexual risk avoidance program to 6th, 7th, 8th, and 9th graders. This program takes place during the school day and some days are all day long and some are for a few hours a day over several days depending on the grade and the school. Training is required for this position.
- **Fundraising/grants/marketing/church liaisons.**
 - Fundraising – help us with are various fundraisers or come up with your own fundraiser for the ministry and we will come along side of you. Help us to get the word out about our fundraisers.
 - Grants – we need help with finding, writing, and securing grants.
 - Marketing- help us get the word out about our ministry/fundraisers through social media, putting out signs, and posters. We need help with designing marketing materials also. Form relationships with potential business or individual donors.
 - Church liaison- share with your church and other churches about our ministry and events going on for our ministry.
- **IT.** None of us at the center are computer literate and we need help from time to time at the center and on the mobile unit.
- **Bi-lingual.** We can use you in all areas from time to time. We help with translating to patients directly and in converting our paperwork to Spanish.
- **Renovations.** We need help finishing the remodeling project downstairs. This can take place at your convenience. We need skilled (carpenters & electricians) and unskilled labor.
